Like pirates seeking to enrich themselves with hidden treasures, we are seeking to enrich our school district by inviting you to join your fellow community members in the **Treasure Trove Giving Circle**, a new fund at the Winona Community Foundation.

What's a giving circle?

It's when a group of people join together to share their resources in support of something they care about. Our shared interest is supporting the Cochrane-Fountain City School District by providing external funding that will keep our school district on a path towards excellence.

What can we support?

- Classroom grants to enhance student learning
- Teacher and staff recognition
- Professional development and training
- Special speakers and performances
- Equipment and supplies
- Capital improvements, expansions, or additions

Our goal

We want to have a BIG impact on our schools and have an audacious goal of raising \$25,000 by December 31, 2020.

Why? Once we reach \$5,000, the Winona Community Foundation will match 20% of dollars contributed up to \$25,000. If we collectively contribute \$25,000 by December 2020, the Foundation will add \$5,000 to our fund.

Donate	Match	Total
\$5,000	+	\$1,000 = \$6,000
\$25,000	+	\$5,000 = \$30,000

Why the Winona Community Foundation?

The Winona Community Foundation is a 501(c)(3) public charity established with a mission to provide philanthropic services to Winona and its surrounding communities. They provide expert financial and investment management to grow and distribute funds to benefit the greater good. This allows us, as members of the Treasure Trove Giving Circle, to concentrate on making grants to our school with relatively little effort. Our funds are co-mingled with those held by the Foundation to maximize growth. The Winona Community Foundation has a thirty-three-year history of making a difference in our area.
